Main visitor parking can be found by the Nigh University Center (black area on the map, red arrow) located on the east end of campus by traveling east on 2nd Street for approximately 2.5 miles to Garland Godfrey Drive, turn right at the stoplight, then follow the signs for visitor parking. Parking vouchers will be supplied for free parking at the workshop.

Metered parking is located on the north side of the Library as well as Handicapped Accessible parking. There are two lots on the west side of the library; on University Drive (marked with a **P**). These are the closest to the library. However, we are in the semester and these are marked for commuter and housing and the one to the south is marked for faculty. You will need a permit for these areas. They can be supplied, please let me know at the time of registration if you need to be closer to the library.
